PRUNING VINES: KIWIS and GRAPES

JAN
12
2019

10:30 am - 2:00 pm

Saturday, January 12, 2019

GRuB Farm

2016 Elliot Ave NW — West Olympia

Join us for year two as we restore some wildly overgrown grape and kiwi vines at GRuB Farm. Kiwi and grape have similar growth and fruiting habits, with important differences. Dress warmly - we will be outside with unheated shelter available.

Weather conditions:

We postpone / cancel only if the weather is miserable - heavy rain, strong wind, or sleet / snow.

Not sure ?
check our webpage.
